Re: Don Mashak v. State of Minnesota, et al.  
Civil No. 11-473 (JRT/JSM)

Dear Ms. Fasching:

The Court is in receipt of your August 17, 2011 letter requesting that defendant Wolfgram be allowed to file a Motion for Sanctions and Attorney's Fees for hearing on September 12, 2011. Pursuant to this Court's July 27, 2011, no additional motions may be filed or scheduled by any party until the current motions scheduled for September 12, 2011 have been ruled upon. Therefore, the Court is denying your request to add an additional motion to the September 12, 2011 hearing date. If the Court grants your client's motion to dismiss, you may pursue your motion for sanctions and fees.

Sincerely,

*s/ Janie S. Mayeron*
